► **Speaker Agenda:**

**Speaker** – Berkly Trumbo | Siemens Industry, Inc.

**Topic** – His presentation is an overview of concepts for successful planning and implementation for Mass Notification (MNS) & Emergency Communications Systems (ECS). He will address the terminology, drivers, codes and standards, technologies, and common challenges. Berkly has worked with numerous F500 companies as well as some of the largest colleges and universities in the country related to crisis communications, including Virginia Tech, and has authored multiple papers discussing best practices in emergency communications and incident management.

Also look forward to our next meeting to be held October 14<sup>th</sup> with presenter Dave Allen!
